# TERMS & CONDITIONS

## Discounts

Staff and students of Chichester College are entitled to a 20% discount on services and a 10% discount on products when presenting a valid student ID card at the time of payment. This discount does not apply to spiral perms and Fabrig.

## Data Protection

All clients will be asked to complete a record card during their consultation and this will be updated at each subsequent appointment. Please rest assured that any personal details we request from you are stored and used in line with the Data Protection Act and are not passed on to any third parties.

## Sensitivity Tests

All clients must have a sensitivity skin test at least 48 hours prior to any hair services requiring the use of chemicals (tinting, bleaching). After the sensitivity test you will be given a card as evidence of the test. This card must be shown at the time of appointment or it may not be possible to carry out your treatment.

An incompatibility test will be performed on the day of your chemical service. If you have a positive reaction we will not be able to carry out your chemical service.

Models are not permitted to supply their own products for use during services, unless prescribed by a medical professional.

## Parking

Please bring your car registration number to the salon to receive complimentary parking during your service. Please be aware that you have 30 minutes to register your car in the salons (a car parking fine may be given if it is over this time).

## Retail Products

Our salon retails a wide range of professional hair products available for you to purchase. Your stylist will advise you of any recommended products for you during your treatment. Please refer to our product price list or a member of our reception team for further information.

## Gift Vouchers

Gift vouchers are available to purchase at our salon reception area. Please ask your stylist or our receptionists for more information.

## Clients under 16 years

For all hair services clients under the age of 16 years must have a parent or guardian present at all times.

## Personal Belongings

All staff, students and clients are responsible for their own personal belongings, including those removed for service purposes. Chichester College will not be held responsible for loss, damage or theft of any items, howsoever caused.

## Appointments

The lecturer supervising the salon has the right to:

- Decide on the services offered in relation to the teaching programme
- Decide the method by which the services shall be carried out
- Refuse admission to clients who are over 15 minutes late for appointments
- Refuse admission to clients whose requirements exceed the level of the teaching programme

**PLEASE NOTE:** consultation and aftercare advice including retail are part of the awarding body criteria for the course. Please allow time to accommodate.

Treatment availability depends on the teaching programme, therefore not all services are available in every open salon. Please enquire at Reception as to the availability of your chosen service at the time of booking. The college reserves the right to alter appointments at short notice to meet the requirements of the teaching programme.

We respectfully ask our clients to remember that we are a training establishment and, as such, hair appointments may start late and run for longer than expected. We appreciate and encourage your constructive feedback as our students are learning. This not only helps in their development but also in our teaching and your enjoyment of the service you receive.
